6	14/12/2023	Yoav Gallant	Minister of Defense	civilian harm/ forced displacement	After making the northern part of the Gaza Strip inhabitable - "the campaign will last for months to come and include the southern area of the strip"	Hebrew	https://www.ynet.co.il/news/article/s1js0nw4a
7	18/11/2023	Yoav Gallant	Minister of Defense	genocidal intent	"Soon they'll realize the IDF's power, even in the southern part [of Gaza]" he added: ""Those who were on the western side of Gaza City understand this well and have already met the deadly power of the IDF, those who are on the eastern side understand this tonight and will understand it in the coming days, and those who are in the south of the Gaza Strip will also understand this soon."	Hebrew	https://www.ynet.co.il/news/article/hksy6ui4p
8	19/11/2023	Binyamin Netanyahu	Prime Minister	civilian harm/collective punishment	"[aid] is important for our allies to stand beside us, without it they'll find it hard to support us [regarding their actions in the strip]" (writer note: this is regarding fuel entering the Gaza Strip for the first time since Oct 7 - agreed upon is "two tanks a day") "It is impossible to establish a military victory without political backing, and that the cabinet insists on Israel's security interests in the face of strong opposition. At this point, Netanyahu explained that humanitarian aid to Gaza is necessary for continued international support for Israel, and that without such aid - even its good friends will have difficulty supporting it for a long time, and it will be very difficult for Israel to continue the war until the end: "That's why when the IDF and Shin Bet jointly recommended to the cabinet to accept The war cabinet unanimously agreed to the American request to allow a limited entry of two fuel tankers a day into the southern Gaza Strip." Netanyahu added: The amount of fuel that will be put into the Strip is a minimum emergency amount whose purpose is to operate water and sewage pumps, without which the immediate spread of epidemics is expected, which could also harm IDF soldiers and Israeli citizens. 9	21/11/2023	Binyamin Netanyahu	Prime Minister	genocidal intent / civilian harm	"One of the things that make the achievements possible is a "political iron dome", and that after 43 days of hard fighting, international backing is not a matter of course. After mentioning the large amount of military aid that the US sent to Israel, he said: "Both within the US and around the world, increasing pressures are being exerted against us in recent weeks." He said that Israel repelled many pressures - including the demand not to enter the Gaza Strip, Gaza City and Shifa Hospital, but Israel entered all of them. "They pressured us to agree to a full ceasefire - we refused, and I made it clear that we would only agree to a temporary ceasefire, and only in exchange for the return of our hostages." (writer note: this came after questionable evidence was posted by IDF in al shifaa and other places in Gaza City regarding "findings" and various refusals of hostage deals cited in this file and in news in general.) 10	22/11/2023	Binyamin Netanyahu	Prime Minister	forced displacement	Netanyahu again said at the press conference that there is no place for the Palestinian Authority to rule in the Strip after Israel withdraws from it. His words came at the very time when US President Joe Biden published an article in the "Washington Post", in which he wrote that the Gaza Strip and the West Bank should be united under one governing body, which will eventually be the Palestinian Authority after it is breathed into it. When asked about the words in Biden's article, Netanyahu said: "I think that the Palestinian Authority in its current form is not capable of accepting responsibility for Gaza. After we fought and did all this thing we give them the strip?" 12	10/10/2023	Yoav Gallant	Minister of Defense	civilian harm/collective punishment	Gallant meets with soldiers in the Gaza Strip: "I have removed all restraints, we are moving on to an attack" Defense Minister Yoav Gallant toured the Gaza Strip today and spoke with soldiers on the ground. Gallant told the soldiers at the Gaza border: "I have removed all restraints, we have taken control of the sector (meaning Gaza Strip) and are moving on to a full attack. Hamas wanted change in Gaza, you will have the right to "turn the wheel" against them." 16	23/11/2023	Yoav Gallant	Minister of Defense	civilian harm / collective punishment	Israeli officials have said that following the 4-day pause they will continue the bombardment of Gaza for "at least another two months". (background information: this followed after the Israeli families of the hostages gathered with the cabinet prior to the truce, where some left saying that the release of hostages does not seem like a priority - which subsequently pushed Netanyahu and the cabinet to agree to a truce to release some, and not all hostages. Gallant's statement regarding resuming the inaccurate bombardment of Gaza, without distinction between civilians and fighters, comes as reassurance for the families' feelings regarding the matter.) 10	20/10/2023	Amir Weitman	Misgav Institute for Zionist Strategy and National Security	forced displacement	<p>Position paper: A plan for resettlement and final rehabilitation in Egypt of the entire population of Gaza: economic aspects: Main points:</p> <ul style="list-style-type: none"> • There is currently a unique and rare opportunity to evacuate the entire Gaza Strip in coordination with the Egyptian government. An immediate, realistic and sustainable plan for the resettlement and humanitarian rehabilitation of the entire Arab population in the Gaza Strip is required which aligns well with the economic and geopolitical interests of Israel, Egypt, the USA and Saudi Arabia. • In 2017, it was reported that there are about 10 million vacant housing units in Egypt, of which about half are built and half are under construction. For example, in the two largest satellite cities of Cairo, "The 6th of October" and "The 10th of Ramadan", there is a huge amount of built and empty apartments owned by the government and privately and construction areas sufficient to house about 6 million residents. • The average cost of a 3-room apartment with an area of 95 square meters for an average Gazan family consisting of 5.14 people in one of the two cities indicated above is about \$19,000. Taking into account the currently known size of the entire population living in the Gaza Strip, which ranges from about 1.4 For approximately 2.2 million people, it can be estimated that the total amount that will be required to be transferred to Egypt to finance the project will be on the order of 5 to 8 billion dollars. • Throwing an immediate stimulus at such a height to the Egyptian economy will provide a tremendous and immediate benefit to al-Sisi's regime. These sums of money, in relation to the Israeli economy, are minimal. Investing a few billion dollars (even if it is 20 or 30 billion dollars) to solve this difficult issue is an innovative, cheap and sustainable solution. • There is no doubt that in order for this plan to come to fruition, many conditions must exist at the same time. Currently, these conditions are met and it is unclear when such an opportunity will arise again, if ever. 24		IDF soldiers		inhumane treatment	<p>Israeli forces drove bulldozers through Sheikh Shaban cemetery in the al-Saha neighborhood in eastern Gaza. Graves were destroyed, and already-buried bodies were exhumed, crushed and mutilated.</p> <p>Al Jazeera journalist Ismail al-Ghoul reported that, "Parts of the dead bodies, including those of children, are clearly visible around the area."</p> <p>Prior to the war, Palestinian families lived in Sheikh Shaban cemetery because of the lack of available housing in the Gaza Strip. Gaza is among the smallest and most densely populated cities in the world.</p> <p>There has been little space, or time, for families to have funerals - or even grieve - during Israel's bombardment. Some hospitals have been forced to bury people before their relatives could identify them because there's not enough space in the morgues to keep them.</p> <p>Scared parents scrawl children's names on their arms and legs in the hopes they will at least be identified after they die.</p> <p>In addition to relentless bombing, Israel has blocked food, water, fuel and electricity in the Gaza Strip. As of publishing, over 20,000 people have been killed. 70% of them are women and children.</p>	English	https://www.instagram.com/p/C1lcMbVpbeu/?igsh=WI2YzEzYmMxYg%3D%3D

25	24/12/2023	IDF soldiers		civilian harm / collective punishment	The Israeli army admitted on Thursday that it killed dozens of Palestinians in an air strike on the Maghazi refugee camp in Gaza on Christmas Eve. An army spokesperson told Kan news that the military regretted that the attack, which killed 70 people, had harmed people adjacent to the intended target. "A preliminary investigation revealed that during the attack, additional buildings were damaged adjacent to the targets that were [meant to be] attacked," the spokesperson told Kan. "[This] apparently resulted in harm to those not involved... The IDF regrets the harm to those not involved." Israel has previously bombed the camp, but the attack on Sunday was described as one of the "deadliest" since the start of the conflict in early October. The bombing of the camp started just before midnight on Christmas Eve and continued into Christmas Day. Hamas called the attack "a horrific massacre" and "a new war crime". On Wednesday, the Palestinian Health Ministry said the death toll from Israel's operation had surpassed 21,000, most of them women and children. Herzi Halevi, the head of the Israeli armed forces, said on Tuesday that the hostilities will continue for "many more months". At least 1.9 million Palestinians have been internally displaced since the beginning of the Gaza assault, according to UN estimates. Only limited amounts of aid have been allowed to enter Gaza since the beginning of the war as Israel has imposed a total blockade on the strip, including cutting off water and electricity supplies, causing severe shortages of water, fuel, food, and medicines. 31		IDF soldiers		disinformation	IDF edits and reuploads "evidence" video from a hospital used to justify its bombardment of it - this time blurring the laptop screen which had a picture of a soldier as a background as well as the charger with QJ-148 on it with a charger that is not used in Gaza but only in Israel (second link). IDF spokesperson later stated that "this laptop belonged to a soldier that previously was kidnapped and released", failing to mention why this information wasn't included in the original video, as well as to why they have blurred the screen in the second upload if so, and why the IDF page has deleted this video all together since.
